

## MODULE 6: GEOGRAPHY & JUDGMENT

### 1. LEARNING OBJECTIVES – what you will learn from the module

'Geography and Judgment' considers man's possible eternal destiny and the process that will decide it. We live in an age where even stalwart evangelicals are questioning if Hell is really eternal, or will God give a 'second chance' to those who have fallen short of His standards? God hasn't changed, so it is vital for believers to understand His nature and His righteous judgments. Jesus said that not everyone who called Him Lord would enter His kingdom, only those who did the will of His Father (Matt 7.21).
